VOLUME LVII — UKIAH CITY, MENDOCINO CO., CAL., MARCH 5, 1926 — NUMBER 23

NOTED SPEAKER WILL BE HERE NEXT WEEK

The man who kept Taft physically fit and on the job every day while he was president of the United States, Dr. Charles E. Barker of Grand Rapids, Michigan, is due here next Thursday. Through the initiative of the Rotary club Dr. Barker will make three addresses in Ukiah, Thursday, March 11. He will speak at 11 o'clock a. m. to the students of the high school. At the noon luncheon he will give an address to men on "A Father's Responsiblity to His Son." At 1:45 p. m. in the State theatre, Dr. Barker will speak to the women on "A Mother's Responsiblity to Her Daughter." The entire expense of Dr. Barker's visit will be borne by the Rotary club as a contribution to the welfare of the city. There will be no admission fee and no collection at any meeting. The luncheon at noon is open to all men but reservations should be made without delay as the number necessarily has to be limited.

Dr. Barker is a man of wide experience on the public platform, and his addresses are of such an amazing and inspiring character that all who have the opportunity to do so should hear him. He makes no attempt at oratory, but he is a wonderfully interesting and electric speaker. He drives home with thrilling illustrations the truth he upholds. He quickly "gets" an audience and holds it, straight through a talk of an hour.

For several years following his attendance on President Taft, Dr. Barker engaged in lecturing to the general public on health and other subjects. In 1919 he so attracted the attention of the Rotary clubs at their annual convention with his great address on "A Father's Responsibility to His Son" that requests came to him from all quarters of Rotary to speak. Since then he has been devoting more and more of his time to Rotary clubs until now all of it is devoted to them.

Dr. Barker has delivered a total of more than fifty-five hundred addresses before audiences aggregating more than 3,500,000 persons. His justly famous address on "How to Make the Most Out of Life," especially designed to help high school boys and girls meet and solve their problems, has been delivered before more than 1,000,000 boys and girls in high schools of the United States and Canada, probably more high school students by far than have been addressed by any other speaker.

COUNTY COLLECTS $1750 IN BOOTLEGGER FINES

The county treasury was enriched to the tune of $1750 during the past week when Judge Busch fined four bootleggers sums aggregating that amount. Albert Saunders and R. S. Merga, both of Fort Bragg, and John Quarteroni, of Willits, all appeared to face charges of sale and possession of intoxicating liquors. The sale charges were dsimissed, and the three men entered pleas of guilty to the charges of possession. Saunders was fined $400, Merga $500 and Quarteroni $450.

In addition to paying the fine on the liquor charge, Quarteroni faces a charge of resisting an officer, having tried to beat up Deputy Joe Weselsky when the latter was assisting in a raid on his place.

The other $400 was collected Wednesday evening from C. Volpi, caught running booze through to Eureka.

FIRE DESTROYS RESIDENCE

A fire shortly after midnight last Monday completely destroyed the residence of Mrs. West Walker on Clara avenue near the ice plant. It is supposed to have originated from a defective flue, as Mrs. Walker had been burning a quantity of paper and paper boxes the day before.

Mrs. Walker had some insurance, but her loss will be quite heavy. She has the sympathy of the community in her misfortune.

She and her son, Lloyd, desire through the Dispatch to thank the fire department and the many friends and neighbors for their efforts to aid them.

"HIGH SCHOOL EDUCATION" SUBJECT FOR SAT. CLUB

Believing that the question of the local high school takes precedence over all other matters at the present time, the literary section of Saturday Afternoon club, of which Mrs. F. E. Rea is chairman, has canceled the program arranged for tomorrow and has asked Charles Kasch to speak on "High School Education." Mr. Kasch has acted as chairman of the investigating committee appointed by the board of education of Ukiah high school. The report of the committee is now in the hands of the members of the board of education.

In the opinion of the members of the literary section of Saturday Afternoon club it is of vital importance that facts connected with the local high school be presented to the members of the club. Arrangements had been completed with a reader from the University of California to give the program before the club tomorrow. This arrangement was canceled by wire.

Mr. Kasch spoke to the Rotary club at the luncheon Tuesday on the subject to be presented tomorrow. It was the talk given at Rotary club which caused the change in the program for Saturday Afternoon club.

Mrs. Rea and the members of the committee in charge of the program ask a full attendance of club members at the meeting tomorrow.

BURGLAR TAKEN BACK TO OREGON PENITENTIARY

Harvey Miller, alias Madsen, who assisted in the burglarizing of a service station above Laytonville, and who was subsequently traced and captured by Sheriff Byrnes, was taken back to Oregon this week to finish serving his time there on a charge of robbery. He was on parole from that state when he committed the crime in this county. After the arrest, District Attorney Hurley conducted an investigation of his record and found from his finger prints that he was an inmate of the Oregon prison.

He broke his parole by leaving that state, and the burglary charge against him here, added to the other charge, will insure his being forced to complete serving his sentence.

His companion, when he robbed the service station was J. D. Johnson, who is being held here for trial. Another man who was with them has not yet been picked up.

BASKETBALL CHAMPIONSHIP WON BY HOPLAND

HOPLAND, March 1.—Last Friday night Boonville was defeated by Geyserville in basketball. Had Boonville won there would have been a tie for the championship between Hopland and Boonville. In the unlimited class the games stand as follows: Hopland won five and lost one, Boonville won four and lost two, Geyserville won three and lost three, Cloverdale won none and lost six. The Hopland boys have a game scheduled with Willits, who won the championship in the northern league. This game will be played in about a week.

The Hopland boys are now turning their attention to baseball and would like to schedule games with nearby towns.

WILL TRY TO FORCE BRIDGE PLAN ON US

Santa Rosa and San Francisco "Boosters" Appeal to Court for Writ of Mandate

OPPOSITION GROWS IN SONOMA

The gang in Santa Rosa and San Francisco who are attempting to drag Mendocino county into the "bridge-the-bay" foolishness and thus force the people of this county against their will to contribute to the support of a bunch of tax-eating "engineers," "executives," "experts" and other high-priced grafters, are hard losers. Witness the following from a Santa Rosa paper Wednesday:

In form a petition to test the legality of Mendocino county's withdrawal from the Golden Gate bridge district, but in reality declared a move to offset the underhanded tactics of opponents of the span project, the executive committee of the Bridge the Golden Gate Association yesterday filed in the state supreme court a petition for a writ of mandate to compel Secretary of State Frank C. Jordan to set a date for hearing protests against the bridge plan and to advertise the intention of six counties to organize a bridge district under and Coombs enabling act.

TO CLEAR SITUATION

The application, filed by Frank P. Doyle, Santa Rosa banker, and leader in the bridge project, and Richard J. Welch, San Francisco supervisor, is intended to clarify the situation caused by the purported withdrawal of Mendocino county after the supervisors had once voted to participate in the district and this action had been confirmed by the signatures of the required number of petitioners. It sets forth that Jordan has declined to advertise the project, as required by law, because the Mendocino county supervisors had rescinded their previous ordinances of participation.

The action will bring about a final adjudication of the situation to date and permit final consummation of the bridge district, and is expected to act as a deterrent to the bridge opponents, who have been fighting the district organization by what is declared by bridge proponents to be underhanded methods.

RULING EXPECTED SOON

The ruling of the supreme court, which will probably be made within a few days, is expected to determine the validity of the district bonds which will eventually be issued to pay for the bridge, according to Doyle.

The counties included in the district are San Francisco, Marin, Sonoma, Napa, Del Norte and Mendocino, the petition contending that the latter's withdrawal is illegal. Humboldt and Lake counties have declined to join the district because of opposition by the landed interests.

George Harlan of San Rafael, attorney for the bridge association, and Assemblyman Frank Coombs of Napa, author of the enabling act, are attorneys for the district in the supreme court petition.

The "underhanded" tactics complained of in the above consisted of

BASEBALL DANCE ON NEXT FRIDAY NIGHT

Tickets are being mailed out by the baseball team for a benefit dance to be given next Friday evening at the grammar school auditorium. The baseball boys start the new season out of debt and need money with which to purchase equipment and get the grounds ready for the coming season.

Prospects look very promising for a strong team this year and fans are beginning to feel the annual fever coming on.

The dance next Friday evening deserves the support of the public in full measure and it is to be hoped the boys will get a good crowd and be able to start the season in good shape.

RED CROSS OFFICERS MEET

A meeting of the officers of the Red Cross was held last Friday morning. A report was submitted by Frank Reynolds on the annual drive of the Red Cross in this district. The sum of $50 was voted to the local emergency relief committee. J. R. Thomas is president of the local organization of Red Cross.

CASE TRANSFERRED

The case of the People vs. Moisala, accused of sale and possession of intoxicating liquor and of maintaining a public nuisance, has been transferred from this county to the federal court at Sacramento.

The Political Pot

Further information as to the qualifications of P. B. Westerman, who announcel his candidacy for school superintendent in last week's Dispatch, has been furnished us the past few days by friends who are backing his candidacy. Mr. Westerman was educated in Mendocino county public schools and in the state university and the summer schools at that institution. His teaching experience includes both high school and elementary school work in about equal proportions and two semesters as instructor in Stanford university, thus covering all ranges of work from the smallest mountain districts to the university. He has served on the boards of education of Mendocino and Stanislaus counties. He has collaborated in the preparation of two manuals of study for elementary schools. Mr. Westerman has always taken a very keen interest in the welfare of his students and has made college courses possible to six of them by extending them financial aid. His platform will be economy combined with efficiency and the maintenance of the highest standards in the public schools. From the above it will be seen that Mr. Westerman is excellently qualified to fill the position he seeks and his stand for economy should be a popular one with the voters in these days of high taxes.

He is excellently qualified for the position and his popularity would make him a very formidable candidate.

More "Info" From Santa Rosa

More information as to Mendocino county politics comes from Senator Slater's column in the Santa Rosa Press Democrat. In a late issue, Slater says:

> Senator Fred C. Handy, of Ukiah, tells me Assemblyman Charles B. Melville, of Fort Bragg, is not likely to have opposition, and that if any should start Mr. Melville can be reelected without difficulty. Senator Handy will have no opposition himself in his district, which embraces Menlocino, Lake, Glenn and Colusa counties.

AUTOMOBILE STRIPPED; "NO ARRESTS MADE"

An automobile found abandoned near the Pine Ridge road Sunday provided foundation for a vast amount of speculation and a deep, dark mystery for the local sheriff's office to solve.

The car was found by picnickers. It had been partly stripped of tires and accessories and seemed in process of being wrecked. There was a license plate, number 263,100, but no ownership tag, and a note was placed in the ownership tag case warning all and sundry not to touch the car. The machine was an Overland roaster.

The owner has been found by the sheriff's office. He is P. Van Huizen, well known Pine ridge rancher. He broke an axle on the car and, not wanting to undergo the expense of fixing it at this time, had run it off the road and taken off the tires and other accessories.

Thus the mystery is solved and "No arrests have been made."

TOO LATE TO REGISTER FOR SCHOOL ELECTION

It is now too late to register in order to vote at the coming school elections. The state attorney general has rendered a decision that only those who have registered since January first of this year and before February 24th are entitled to vote at elections for school trustees.

LEGION HOLD SMOKER ON WEDNESDAY EVENING

The members of Lewis White post No. 76, American Legion, held a most successful and entertaining smoker at the Redman's hall March 3. The post now has a membership of 75, an increase of 50 per cent over last year, and within a short time the membership is expected to exceed 100.

The principal entertainment features of the evening were vaudeville stunts put over by C. N. Mortenson—"Morty," Thomas Maguire, E. W. Stephens, and Tony McMahon. They kept the house in an uproar throughout the show.

Voiture Locale, No. 338, La Societe des 40 Hommes et 8 Chevaux, commonly known as the 40 & 8, of Sonoma county, were there in full force and among those present were Chef de Gare Wall M. Billings, Correspondent E. E. McPherson, of Cloverdale; Chef de Train William Pecot, Cheminot Clyde V. Hudson of Santa Rosa; Conducteur J. J. Neely, Guardes des Prisonnier Charles A. Jones, Cheminot John F. Fisher, Commander Woodworth of Cotati, and many others from Santa Rosa and vicinity. The 40 & 8, is the playground of the American Legion, and, when the objects and purposes of the 40 & 8 were presented, sufficient members of the Lewis White post signed up for a charter.

The principal speaker of the evening was John F. Fisher, executive committeeman of the first congressional district, and, in a most forcible address to the boys, he impressed upon them their obligations and duties as members of the American Legion to foster and perpetuate a one hundred per cent Americanism, to support their community, state and nation, and to support and defend the objects and purposes of the American Legion as embodied in the preamble of the constitution.

After the ceremonies Chief Commissary Steward D. R. Smith and the kitchen police served a most appetizing luncheon after which the meeting was adjourned.

TWO BOOZE RUNNERS CAUGHT DURING WEEK

Deputies Weselsky and McCabe captured two booze running cars during the past week. The cars and a quantity of wine are being held at the jail pending further disposition of the cases.

The first, a Hudson coach, was taken by the two officers at the Mountain house, between Hopland and Cloverdale on Tuesday evening. The men were at the "blockhouse," when the car went by. Its appearance aroused McCabe's suspicions, and he and Weselsky started after it. They rounded it up at the Mountain house and the driver, E. Malfatti, jumped out and started to run away, but stopped when McCabe fired several shots from his revolver into the air. Malfatti had 90 gallons of wine, whic he was taking through to Eureka. He is still in custody.

Evidently there is a considerable drouth at Eureka, as the second man was taken also trying to run the blocade to that point. He had an almost new Studebaker coach. He was C. Volpi, a resident of Eureka. The officers were waiting at a slide which had blocked the road near Coolidge grove, when Volpi drove up bound north. He stopped his car, and, as the officers approached, took alarm and started to run. Weselsky fired a shot across his bows and he stopped and held up his hands. He had about ninety gallons of wine.

He was brought back here and allowed to phone to relatives in Eureka. The same evening he stated he wanted to plead guilty and was taken before Judge Busch, who fined him $400. His relatives in Eureka paid the money to Sheriff Ross there and he was released.

POTTER FARM CENTER TO HOLD SOCIAL DANCE

A social dance is scheduled at Potter Valley on "the seventeenth of Ireland," a week from next Welnesday. The dance is being given by the Potter valley farm center and the funds will be used to defray the center expenses. The committee in charge are planning to see that everyone has a good time and cordially invite the public to attend.

The dance is the third annual one to be given by the center.

MAY BUY CIGAR STORE

A deal was pending yesterday for the sale of the former Porter & Elledge cigar store and pool room to Frank Roberts of this city. The place was recently bought by Mr. Crawford, of Lakeport, with whom Mr. Roberts is now negotiating.

MARRIAGE LICENSES

Marriage licenses were issued this week to the following couples: Joseph F. Scott, 22, of Covelo, and Nellie V. Freeman, 20, of Ukiah; Burt W. Talmadge, 37, of Eureka, and Frances L. Turner, 38, of Riverside.

The Rambler

Have you noticed the work done by Mr. Pickle and his crew on the city streets? It was good work and finished in a short time. In this day and age it is difficult to understand why four horse teams are being used on our streets. I would suggest that we get some modern machinery and get rid of the bumps.

The clothing man complains that fish is too high. The fish man says that shoes are too high and so on ad infinitum. Every one thinks the other fellow is charging too much. I can't understand why everyone is not getting rich.

* * * * *

Don't we hear a lot about the mistakes of the young? After all, are not some of them a part of their education? But, as for the grownups, most of their mistakes are sheer ignorance or stupidity. Another thing, the youngster does not concern himself with the stupidity of the elders for if he did the elders would be just as uncomfortable as they try to make the youngsters.

We have at last found a candidate who tells the plain truth. J. V. Curd, candidate for the Assembly from Fresno county, has issued this statement: "My friends have not stormed my doors nor accosted me on the street with cries that I should become a candidate for this office. I am a candidate on my own initiative and will ask my friends to support me." Ain't it the truth! Why candidates should still insist that "I have consented to become a candidate only at the solicitation of my friends" is beyond me. No one believes it and I question if anyone ever did believe it.

* * * * *

It seems that people are interested in me a little. Many are telling the Editor who I am, though I told them in the beginning that it did not make any difference. Among others, this column was accredited this week to Frank Albertson. That is a compliment. He is big-hearted, broad-minded, genial and an all around good citizen. If the thoughts put down here are such that they could be ascribed to him, then I have no obligation.

Someone stole Pancho Villa's head and Federal agents in Chicago, are searching for it. If any of you readers see a head lying about, please examine it closely to see whether it belongs to the late Mexican bandit. Rumor has it that it was stolen in the interest of science. What of it? If some part of Villa's anatomy can at last serve a useful purpose, that is more than he did when living.

The Junior League of the Saturday Afternoon Club is a fine thing. The Club and those directly sponsoring this organization should be given every encouragement. The community cannot have too many grownup organizations directly interested in youngsters. Besides the Junior League, we have the Boy Scouts, backed by the Native Sons, and another troup soon to be launched by the American Legion, and the De Molay, sponsored by the Royal Arch Masons. A few years ago we had none of these. This is no consolation for the pessimist.

Spring will soon be here. What are you going to do with your yard this year? First of all, I recommend that you remove the old fence. It isn't necessary any more. It is about gone anyway. Look over some of the places where fences have removed and you should be convinced.

* * * * *

It is not uncommon for those who do get on in life to place the blame on Providence, or luck. You hear them say of a successful man "Oh, he's lucky." The plain truth is that the "unlucky" ones were unwilling to do hard work, to suffer the self-denial, to lay a foundation of a successful career. In every life there is a getting ready period, and if a man does not get ready during that period, he never will be ready. In his later years when his own failure is so apparent and the success of his fellows somewhat irritating he tries to fool himself by crediting his failure to ill luck. But it wont do. There is no substitute for work.

* * * * *

There is enough happiness in the world that everyone can have some of it. There are also enough of integrity and honor to go around. If a man does not agree with you, perhaps, after all, he is right and you are wrong. A wise man has said that we come into the world knowing nothing, then we know it all, and in our later years, we are convinced that we know nothing. Let us, then, be charitable, broad-minded, tolerant.

* * * * *

"It isn't done." "They say." "They are not wearing." "They are wearing." Men and women are too often governed by fashion. Listen in on a conversation and note how frequently you can hear a sentence beginning with one of the above quotations. It seems to be a sort of social psycholcgy. What difference does it make what "they" are saying or doing or wearing or not wearing? Let us be done with following the herd.

There is a rumor about that the Ukiah high school was reduced several years ago from class A to class B. This, I understand, is a scholarship rating. There is no good reason why we should be second-raters.

Have you noticed the municipal ball park lately? There is a new hedge around it which improves the appearance of the spot, and other worth-while improvements are either under way or contemplated. I remember when it was called the municipal frog pond. The people made a wise decision when they set it apart forever for park purposes. A city can hardly have too many parks or playgrounds.

COAST NOTES

(Mendocino Beacon)

New Industry

There is a growing demand for certified seed potatoes in this state. Very little certified seed is produced within the state at the present time. In fact the greater portion of the seed potato stock used in the state—certified and ordinary—is produced in Washington, Oregon and other states. Expert potato men say that on this coast especially we have ideal conditions for producing potato free from disease. They believe that coast farmers could establish a good business in certified seed potatoes and that there would be a ready market for all seed stock produced.

Veneer Mill Leased

H. V. Pointer, representing the Universal Products Co. of San Francisco, was here Thursday, accompanied by A. E. Johnston of Fort Bragg. Mr. Pointer's company has leased from Mr. Johnson the veneer mill at Russian Gulch and Mr. Pointer was here looking over the situation to ascertain if he could be supplied with additional electric power as his company proposes to double the present capacity of the veneer mill, enlarging the plant so that finished veneer products can be turned out here. He hopes to be able to start the plant within thirty days.

The inauguration of a weekly steamer service to Russian Gulch from Oakland and San Francisco will provide transportation for the mill's output.

Hurt in Mill

Frank Mathews, who is employed by the Mendocino Lumber Company as a carpenter, met with a serious accident shortly after the mill started up Tuesday morning. He was engaged in repairing a log deck on the south side between the kicker and the carriage. The sawyer was ready to turn the log and he was watching Mathews and waiting, until it would be safe for him to go ahead when somehow he touched the kicker pedal rolling the log and caught Mathews between it and the carriage and broke his right leg about five or six inches above the knee.

Logger Injured

ELK, March 25.—Wednesday afternoon Arthur Nelson, who was working on the railroad logging train, while moving a log was struck by a jackscrew handle, smashing two bones of his right hand.

Narrow Escape

Another drowning accident was narrowly averted Sunday when Harold Daniels and Oliver Johnson with one or two others, all of Caspar, were out on the rocks near that place gathering mussels. Daniels, who had ventured out on the rocks too far, was caught by a wave and washed off the ledge, thrown down and knocked about by the receding water and was finally rescued by his companions and hauled ashore, drenched and exhausted. He was badly scratched and bruised about the body by coming in contact with the jagged rocks but he was fortunate to escape with his life.

Woman Improving

Mrs. Elizabeth Elkerton, who has been under treatment in a hospital in Eureka for two months, has recovered sufficiently to be able to leave that institution. Mrs. Elkerton, it will be remembered, was fishing off the rocks at Newport on December 28th in company with her husband, Milo Elkerton, when the tragedy occurred by which he lost his life and she received injuries from which she has suffered ever since. The couple thought themselves in a safe position when a big wave came and they were both swept into the sea. The lady, being a strong swimmer, made heroic efforts to save her husband's life but to no avail. She managed to keep afloat and was drawn ashore by a friend who got a line out to her.

Greenwood Hotel Opens

The Greenwood Inn was compelled to open immediately after the fire although they had not planned on doing so for some time. This move was made necessary to care for the traveling public due to the fact that the other hotels were destroyed by the fire. The fact that this place has reopened will no doubt prove very graitfying to a large number of travelers who have heretofore made it their headquarters while in Greenwood.

In Memoriam

Harriet Virginia Bowers passed away in Ukiah February 28, 1926.

She was born December 23, 1853, near Buchanan, Botetourt county, Virginia. She was the daughter of Abraham and Harriet Peery and sister of the late Wm. M. Peery of Ukiah; also an aunt of Mrs. Lona M. Barnett, with whom she has made her home for the past seven years.

She was united in marriage with J. Luther Bowers in Ukiah September 12, 1893. After residing here for a few years they moved to Santa Clara county and finally made their home in Morgan Hill, at which place Mr. Bowers passed away January 20, 1917.

Mrs. Bowers leaves to mourn her death two sisters, Mrs. Mary Spangler of Buchanan, Virginia and Mrs. Fanny Gentry of Denver, Colorado; three nephews, S. B. Spangler of Sublet, Idaho, Allen W. Brugh of Long Beach, California and Clyde R. Patterson of Klamath Falls, Oregon, and several nieces and nephews in Virginia and Kansas.

Mrs. Bowers has been a faithful member of the Presbyterian church for many years, was a good wife, true and loyal friend to her associates and neighbors. She had a pleasing personality and was loved by all who knew her. "Aunt Hattie" as she was lovingly called, is gone, but the memory of her cheerful disposition will always linger in the minds of those with whom she lived.

A marriage which has been kept secret for several months became known this week when Mr. and Mrs. R. E. McCracken returned to Ukiah. Mrs. McCracken was Fern Starmer, a daughter of Clark Bailey of this city. Mrs. Starmer had made her home at San Jose for several years. The marriage of Mrs. Starmer and R. E. McCracken took place in Redwood City, December 26, but did not become known to their friends until the return of the couple to Ukiah this week.

R. E. McCracken is a son of J. L. McCracken, prominently known in this community. Mrs. McCracken grew up in this community and she and Mr. McCracken were friends as young people in Ukiah.

SURPRISE PARTY

Mrs. George C. Hansen, a guest in the home of Mr. and Mrs. Charles H. Crawford on West Smith street, was the inspiration of a delightful surprise party Tuesday afternoon. About a score of friends of Mrs. Hansen and her daughter, Mrs. Crawford, met at the South Methodist church and in a body surprised the guest of honor. Mrs. Hansen is visiting in Ukiah from Ferndale. She is prominent in Pythian circles in that city and the guests of Tuesday are members of Pythian Sisters in Ukiah. The surprise was complete, not a hint of the charming plans having reached Mrs. Hansen. Among the guests were Mrs. Martha Toles, Mrs. Minnie Graf, Mrs. George Shattuck, Mrs. Vincent Giorno, Mrs. Gus Keller, Mrs. Nat Beckley, Mrs. Charles Duncan, Mrs. A. L. Wessels, Mrs. Della Payne, Mrs. Jane Gibson, Mrs. Mary Gibson, Miss Dorothy Todhunter, Mrs. Fred Nassie, Mrs. Evelyn Neuhaus, Mrs. Frank Straight. Mrs. Hansen was the guest of her daughter in Ukiah about a year ago. At that time she arranged a most delightful party for members of the Pythian Sisters. The compliment of Tuesday was, in part, an expression of appreciation to Mrs. Hansen.

UNBOUNDED ENTHUSIASM

Visitors from Ukiah to San Francisco and bay cities speak of the unbounded enthusiasm with which the plans for the reception of Captain Hal Standley are going forward in San Francisco. Former residents of this county whose homes are now around the bay are working strenuously and giving liberally that the reception to this Ukiah "boy" may be worthy of the cause in which it is given. Mrs. Frank Barker and Mrs. G. W. Stout, both of whom returned this week from a visit to the bay, spoke of the very great enthusiasm with which plans are going forward.

A MOCK WEDDING

A mock wedding party, complete with bride and groom, ring bearer, minister and attendants all in appropriate dress, surprised Mr. and Mrs. Frank Roberts last Sunday evening on the occasion of their eighteenth wedding anniversary. The guests arrived at the home in the regular form of a wedding party and were a merry surprise to Mr. and Mrs. Roberts. The guests included Mr. and Mrs. Will Hagans, Mr. and Mrs. J. P. Smith, Mr. and Mrs. Ben Edwards. Miss Marjorie Smith was ring bearer. A merry evening was spent and supper followed.

DESTINATION NEW ORLEANS

Word comes from Dr. G. W. Stout that his destination was New Orleans instead of New York which was expected. A great many of the immigrants on board the train where Dr. Stout was a government physician, were being returned to Mexico and left the main party at El Paso. The remainder of the party were deported from New Orleans on government vessels at that point. Dr. Stout writes most interestingly of the trip and the nature of the immigrants being sent from this country. Many of them had to be put on the train by force and kept in straight jackets so determined were they to resist deportation. Among the number deported were many criminals and insane patients.

The party was detained in New Orleans six days, giving Dr. Stout the privilege of visiting points of interest in this old, historic city. Before returning west, the doctor will visit his home town of Whitehall, Illionis, and will also stop over at St. Louis and Chicago. He is expected home about the middle of March.

HOME TOMORROW

Mr. and Mrs. George Jamison arrived in San Francisco Tuesday and will be back in Ukiah tomorrow. They have been on a trip to the Hawaiian Islands and have been gone a month. They would have extended their visit in the Islands but were unable to secure reservations for many weeks. The trip home was delightful in every respect, in marked contrast to the voyage over which encountered the worst storm on the Pacific in many years.

A TALENTED DAUGHTER

Miss Marjorie Smith, the talented young daughter of Mr. and Mrs. J. P. Smith, received special honor in Aunt Dolly's Kiddy club. Many children submitted drawings on "A Dainty Little Miss." From the great number submitted Miss Marjorie's was the only one reproduced in Sunday's Chronicle. It was a clever pen and ink sketch and was not only attractive but held value from an artistic standpoint.

A program of exceptional charm and value was presented by Kosmos club on the occasion of club guest day. The afternoon was in charge of the dramatic and music sections of the club and the combined program was worth while. The program was presented in the studio of the E. B. Gibson home. The stage was transformed into an old-fashioned garden with ivy, shrubbery and fruit blosoms, beneath which were old-fashioned rustic seats.

P. T. A. MEETING

Rev. E. H. Benson spoke to the grammar school P. T. A. Tuesday afternoon on "Psychological Aspects of Religion." A piano duet was played by Helen and Edith Swim.

At the business session a committee was appointed to confer with the board of trustees regarding protection for the children on the blind corner at Clay and Oak streets, east of the school. The number of accidents occurring at this corner has alarmed the parents.

The committee on the dance recently given by the P. T. A. reported the sum of $84.65. Mrs. C. R. Yarbrough, president of the Redwood valley P. T. A. spoke to the meeting, thanking the members for the support given the neighboring organization. Mrs. Louis Hofman, representative on the district board, urged the attendance of members at the district convention to be held in Petaluma, April 8 and 9.

At the business meeting of Saturday Afternoon club the commitee appointed on tree planting for Arbor day reported to the club and the decision was made to plant redwood trees at the south entrance to the city of Ukiah. Mrs. Donald R. Smith was named to look after the details of securing a plaque appropriately inscribed to be placed on the tree in the courthouse grounds, planted by the club women in memory of the boys who went to the world war.

STATE CHAIRMEN SPEAK

State chairmen of child welfare and economics who spoke to the club women at Willits last Friday brought with them a splendid message to the women who gathered to greet them. The club women from Ukiah who drove to Willits to hear the speakers were Mrs. F. E. Gilmore, Mrs. Irving Brazier, Mrs. W. E. Williams, Mrs. A. J. Atkins, Mrs. H. N. Deering, Miss Alice Ringheim and Miss Katherine Fuller. They report that both women made splendid talks and the regret of the Ukiah contingent was that more club women had not heard the addresses.

Both women in their talks spoke of Dr. Charles E. Barker, who is to be in Ukiah under the auspices of the Rotary club Thursday of the coming week. In speaking of Dr. Barker's work neither woman knew that he was to be in this community in the near future. When this announcement was made from the platform one of the visiting chairmen asked the privilege of again speaking about Dr. Barker. She said that the opportunity to hear him was one in a life time; that he was a marvelous speaker and brought to the women a great message. She urged that mothers and daughters seize the opporunity to hear him.

Lodge News

Eastern Star program was presented Monday evening to about 150 guests. It included a solo by Mrs. Peggy Lynch, entitled "Carmena." The dancers were Charlotte Mannon, Orletta Hawn, Hazel Hopper, Joan Moulton, Cora Jane McGarvey, Bernice Weger, Valberta Eversole, Conchita Perelli-Minetti, Virginia Mathews, Louise Flanagan, Marjorie Smith, Lucille Thomas.

A very interesting feature of the program was "The Modest Quakeresses," an operetta given before Kosmos club and repeated for Eastern Star. It was under the direction of Mrs. E. B. Gibson. Those taking part were Mrs. Margaret Ford, soloist, Mrs. Frank Wilson, Mrs. Perle Crawford, Mrs. Joe Elledge, Mrs. L. H. Foster, Mrs. Edgar Smith, Mrs. Bessie Cox.

The committee in charge of the evening's entertainment was headed by Mrs. J. C. Reifschneider, assisted by Mrs. Lucy Seawell, Miss Clara Rowe, Mrs. Anna Crabbe, Mrs. N. A. Hornbrook, Mrs. Hazel McCowen, Fred Nassie, Clem Heryford.

They met at the high school Tuesday morning at 11 o'clock and the following boys passed the tenderfoot test: Frank Howell, Charles Kamp, Robert Harmon, Alvan Williams, Preston Harrington, Ted Smalley, Lincoln Heflin, Clarence Van Allen, Peter Chiossi, Robert Fraser.

Several of the boys have already sent for the suits and all expect to be fully equipped soon. The farm center is the sponsor and they will furnish the boys with considerable of the equipment. The boys are already becoming quite expert at tying knots and doing other scout stunts.

The boy scouts enjoyed an interesting hike Saturday to the Peaks on the C. T. Smith ranch below town. The boys were in search of old Indian relics where once was situated an old Indian rancheria. Mr. Smith has kindly offered the boys the use of a piece of land to erect a cabin on and Saturday the boys will go forth with hammers and nails, axes and saws, to start work on their cabin, where they expect to spend many happy hours this summer.

POLITICAL POT

(Continued from page 1)

Smith's announcement of his candidacy for reelection. Mr. Smith has made good in the position during his incumbency.

He has handled the county's cash to the utmost advantage and the interest collected has amounted to many thousands of dollars, all of which has aided in keeping down taxes by just that amount. His unfailing courtesy and good nature have made him a host of friends and they are scattered all over the county. He is generally considered unbeatable and, for that matter, there does not appear to be any reason why he should be beaten. He deserves another term and will get it.

Byrnes Corrects False Report

Enemies of Sheriff Byrnes recently have been circulating the report that he would not be a candidate for reelection. We took occassion to ask him about it Wednesday just before he left for Sacramento to appear as a witness in the federal court against several Mendocino county bootleggers he had brought to book.

"Yes, I am a candidate for reelection," he stated. "I know that that report has been circulated in some quarters, but you may tell your readers that there is absolutely no truth in it. My hat's in the ring."

So that's that, and we'll wager that Byrnes's hat alone will not be in the ring, but that he himself will be there with both feet.

Mrs. Mabel Ames Smith has returned from a brief visit to San Francisco. Mrs. Smith was accompanied by her sister, Mrs. A. J. Atkins, to the city on Monday.

HORNBROOK'S TO CONDUCT GUESSING CONTEST

Much interest has been aroused over a guessing contest which has been instituted by N. A. Hornbrook, local dealer in "Brownbilt" shoes. The prize to the lucky guesser will be a ten-dollar merchandise order.

The contest will be open to everyone, whether they are customers or not. The idea is to guess the correct answer to the question,—"If your feet could talk, what would they say?" Leave your answer at Hornbrook's. It will be put in the ballot box and, when the contest closes, all guesses will be examined and the winner announced. The judges are Wm. Bromley, E. P. Thurston and A. R. O'Brien.

WILL TRY TO FORCE BRIDGE PLAN ON US

(Continued from page 1)

resolutions passed by the grand jury and the farm bureau, two of the most representative bodies of the county, asking the supervisors to rescind their action in joining the association.

In a follow-up story yesterday the same paper said:

The first clash in the open fight between opponents and proponents of the Golden Gate bridge district was yesterday set by the state supreme court for April 6, when opponents of district must show cause why Secretary of State Frank C. Jordan should not be compelled to advertise the formation of the bridge and highway district. The order was in the form of an alternative writ of mandate, issued on the petition filed Tuesday by Frank P. Doyle of Santa Rosa and Richard J. Welch of San Francisco, directors of the Bridge the Golden Gate Association, to test the legality of the purported withdrawal of Mendocino county from the district after the supervisors had once voted to participate and petitions signed by a sufficient number of taxpayers had confirmed this action.

By the action of the supreme court the opponents of the district must file their objections with the court for open hearing and to be weighed against the legal arguments of the bridge district. The hearing will take place April 6. Yesterday's order is tantamount to a victory for the bridge supporters in the first legal action, as it shows that the supreme court had found in the district petition merit sufficient to bring the objectors into the open.

Down in Sonoma county the farmers have awakened at last to what their action in joining the district really involves, and a movement of formidable proportions is gaining momentum throughout that county in opposition to going further with the plan.

The proposition was put through there as here with a big whoop and hurrah, the supervisors being stampeded into their course by a coterie of "high-pressure" boosters and before they had a chance to advise with their constituents, who would have been forced to foot the bills. The subsequent action of our board in withdrawing from the district met the approval of 99 per cent of this county's taxpayers and that 99 per cent does not now propose to have this thing shoved down their throats by a bunch of designing "foreigners" with axes to grind.

District Attorney Hurley stated yesterday that while a lawsuit over the matter may be started later on, the present action being taken by the proponents of the proposition will not gain them anything.

REDWOOD VALLEY

REDWOOD VALLEY, Mar. 3.—A crowd that taxed the school auditorium was on hand Friday to see the P. T. A. plays. The first number on the program was a farce entitled "Getting Rid of Father." L. Simmons made quite a hit as father. J. W. Hardwick played the part of the son-in-law to perfection. Mrs. Clifford Smith did well as the daughter. Ferd Faas looked and acted like a real butler.

Between the plays the Misses Erla Yarbrough and Josephine Wright rendered a song and dance. They were cleverly dressed in negro costumes, Erla representing a boy. Their clever antics simply brought down the house.

A second farce entitled "The Sleeping Car" completed the program.

Mrs. Clifford Tweedy and John Finne as Mr. and Mrs. Roberts sustained their rather difficult roles in a very creditable manner. Homer Mitten as "The Californian," made a great hit. Mrs. Nels Nelson was a perfect "Aunt Mary." A. W. Simmons would have made a negro porter ashamed of himself. Alec Kauhanen looked every inch a conductor. C. W. Yarbrough did his part nicely, and the minor roles were well cared for.

Mrs. C. R. Yarbrough and Mrs. Harry Wilkinson deserve great praise along with the cast, for they worked very faithfully drilling the players.

At the conclusion of the program dancing was enjoyed for a couple of hours. Bernard Saunders kindly donated the use of his radio, an 8-tube superhetrodyne set, with an extra power loud speaker operating off of the electricity.

Refreshments consisting of hot dogs, buns, coffee, doughnuts and candy were sold at the booths.

The receipts from tickets and refreshments amounted to $123, leaving a net profit of over $100.

Harry Wilkinson went to Covelo this week in the interest of the California State Automobile Association. Mr. Wilkinson is agent of the association for all of Mendocino county. His duties frequently take him to all parts of the county.

The Rev. Elbert Holland preached a very inspiring sermon at the clubhouse Sunday afternoon.

The Sunday school elected officers as follows: Superintendent, Carey Hargreaves; assistant superintendent, Tom Jameson, secretary, Marian Jameson; treasurer, Mrs. T. Gullickson; organist, Miss L. Kistler.

The Holtzhausers are hard at work on their feed store and will soon have it completed. They will also build a warehouse and packing shed. E. J. Aalto and A. Turula are doing the carpenter work.

February and March travel

During the blustery, rainy months you value more than ever the travel comfort which the Northwestern Pacific Railroad coaches afford. Sheltered from the weather outside, with no care for muddy roads or skiddy pavement, you are carried to your destination with speed and safety. ¶Northwestern Pacific Railroad coaches are roomy and well ventilated.

Ask about the 30-trip tickets between all stations—special low rates. These tickets can be used by any member of the family, in either direction.

NORTHWESTERN PACIFIC

The First Message

"MR. WATSON, come here; I want you!" exclaimed Alexander Graham Bell on March 10, 1876, during an afternoon of experimentation, and over a wire connecting two rooms, the young assistant heard the words, — the first spoken sentence to be so transmitted.

Fifty years have passed. Today there are 17,000,000 telephones in the United States, giving voice to human need, as Bell's crude transmitter did then. Fire breaks out in the night; law-breakers invade a home; sickness strikes at a family circle. "Come here, I want you," is the summons, and the telephone speeds it on the way. Business of importance demands the decision of one who is on the far side of the continent. "Come here, I want you," is the summons again, and as if by magic, a personality is projected through space, questions are asked, answers given, problems solved—by telephone.

Every telephone call is an echo of the first message. For whether it is the physical presence or the listening ear that is desired, the impulse that lifts the telephone receiver is, "I want you."

Echoes of the recent jamboree are being heard all over the northern part of our state. Vallejo, St. Helena, Napa, Willits, Hopland and Eureka, have all written letters expressing their appreciation to the people of Ukiah, for their wonderful hospitality shown their visiting scouts and leaders. Many of the jamboree ideas have been adopted by other communities. Fort Bragg will entertain the local scouts of Ukiah troop 24 early in April at their "jamboree" and the Napa scouts will hold their biggest event of the year during the latter part of May. Ukiah scouts will again be special guests. Joseph I. Wilson will direct these affairs.

Legion Troop

The American Legion troop is coming along splendidly, has enlisted quite a few candidates, and will apply for their charter very soon. Lawrence Waugh has been selected as scoutmaster. He is making very good progress, and is planning on installation and institution for the latter part of March, when all of his boys will have their uniforms. They have adopted the blue handerchief in honor of the American Legion.

Ukiah Troop

Ukiah troop 24 held its regular weekly meeting on Tuesday, and plans were made for a hike on Saturday. The scouts to meet at Legion hall at 9:30 a. m. and return to Ukiah at 5 p. m. Test passing, games and nature study will help to pass the time. Each patrol will do its own cooking. The full scout uniform will be worn.

Every scout in Ukiah troop 24 is to have a "fire-by-friction" set. "Boys' Life," the official boy scout magazine is also to be a part of every scout's equipment, so as to enable each boy to know what other scouts are doing all over the world.

Eagle Scouts

The many Eagle scouts who accompanied the Napa delegation to the jamboree have inspired our new first class scouts to try for this highest honor in scouting. The merit badge program is being rapidly organized and examiners appointed for the various subjects, and the end of March will find the local court of honor functioning and awarding badges, which will enable the boys to qualify for Star Life and Eagle badges. In order to become an Eagle scout a first class scout must earn twenty-one merit badges, which must include first aid, life saving, personal health, public health, cooking, camping, civics, bird study, pathfinding, pioneering, athletics or physical development and any ten others.

Tenderfoot Badges

Ukiah troop 24 recently awarded tenderfoot badges to Stanley Rea, Joe Rea, Edward Miller, Albert Ganter, and a scout class badge to Edward Squires. Many of the local men are very much interested in the scout program and are advising with the various patrols of the troop—Dr. Rea, Major Alec Thomas, Frank Mason, Sr., J. H. Zeiger, Arthur Tracy, and others.

Hopland Troop

Scoutmaster D. R. Ward of Hopland, reports keen interest on the part of the high school boys. Fourteen of them have applied for admission to the new troop, and an institute and installation will be held at the next meeting of the farm bureau.

MANY ENJOY DANCE

The grange hall at Redwood valley was crowded to the doors with a merry throng of dancers last Saturday night on the occasion of the weekly dance by the Blue Lakes orchestra. Additional interest was lent by the giving of two prizes for the best waltzers. The first prize went to George Hildreth and Mrs. R. E. Donohoe, and the second to Mr. and Mrs. McFarland of Redwood valley.

A fine time is reported by those who attended.

Another will be given by the orchestra at the same place tomorrow night.

A REX AEACH STORY THAT WILL APPEAL TO ALL

A new version of "The Auction Block" is coming to the State theatre on March 11-12. Seven years ago this picture created a sensation with Rubye de Remer in the leading role, and now it is coming to the screen with Charles Ray and Eleanor Boardman as the estranged couple and the cast includes Sally O'Neil, Ernest Gillen, Charles Clary, David Torrence, James Corrigan, Forrest Seabury and Ned Sparkes. The story was adapted by Frederic and Fanny Hatton from the novel by Rex Beach.

"THE BLACK BIRD" MADE BY EXPERTS

Tod Browning, noted screen director and former musical comedy and vaudeville star, had his own knowledge of vaudeville augmented by some noted consultants during the filming of "The Black Bird," the new Lon Chaney vehicle which is now showing at the State theatre. The story is laid about the old English music halls where such stars as Anna Held, Marie Lloyd, Alice Lloyd, Vesta Tilley and others first appeared on the stage.

Several prominent vaudeville stars assisted Browning during the direction of the picture, one of the most prominent being Harry Sharrock, famous for years in vaudeville with the mind reading act "Behind the Grand Stand," which he and his sister, Emma, presented.

Lon Chaney plays a very difficult dual role in "The Black Bird." The supporting cast includes Owen Moore, Renee Adoree, Doris Lloyd, Lionel Belmore, Sidney Bracy and others.

COMBINATION THAT PLEASES

Fred Thomson and Silver King continue their joyous career in "The Tough Guy," coming to the State theatre on Saturday.

Where else but on our screen could you find such a jubilant combination of man and horse in Thomson, one-time clergyman and famous athlete, and his glorious steed, Silver King?

"The Tough Guy," by Frank M. Clifton, is a warmly human and comedic hodge-podge of fast action, thrills and young romance with a fine note of sentiment adroitly woven through the strands of the narrative. Fred as the tough guy, who through necessity must be several degrees harder than any of the roughnecks on his ranch, is a triumph. It is perhaps the best piece of characterization the star has achieved in his career on the screen.

"SPORTING LIFE" IS OLD ENGLISH FAST MELODRAMA

A motion picture version of one of the most popular stage plays of the last fifty years is scheduled for screening Sunday at the State theatre. It is "Sporting Life," Universal's picturization of the famous Drury Lane melodrama. The picture is a Maurice Tourneur production with a cast including Bert Lytell, Marian Nixon, Paulett Duval, Cyril Chadwick, Charles Delaney, George Seigmann, Ena Gregory and others.

ALMA RUBENS AS SOCIAL BUTTERFLY

"The Gilded Butterfly," the Fox Films production coming to the State theatre Monday, is a thrilling story of a lovely young social butterfly. Alma Rubens and Bert Lytell are co-featured at the head of an all-star cast which includes Frank Keenan, Huntly Gordon, Herbert Rawlinson, Vera Lewis, Arthur Hoyt and Carolynne Snowden.

It is a production filled with pathos, romance and suspense intricately woven together by a master hand.

PICTURE BASED ON WIDELY READ STORY

The stirring film epic, "As No Man Has Loved," which begins an engagement at the State theatre on Tuesday, will convert anyone having doubts about his affection for his country.

The pictue is bound to appeal to real Americans, as did the Edward Everett Hale story, "The Man Without a Country," on which the film is based. Hale's story, now in its fifty-first edition, is said to have been more widely read than any short story ever written. It has been translated into twenty different languages.

EXOTIC ROLE FOR BARBARA LA MARR

Studded with dramatic situations is "The Girl From Montmartre," latest First National offering to reach the State theatre, where it will open an engagement on Wednesday.

Rustic and maritime Spain is the scene of the new photoplay, a background peculiarly suitable to the personality of the exotic Barbara La Marr, who is said to achieve her greatest triumph as Emilia Fanneaux in the production. Lewis Stone, who is co-featured with her, can, of course, be depended upon to present a flawless characterization as Jerome Hautrive.

For real romance, with lots of suspense, some mystery and some deviltry, and a world of lilting love interest, "The Girl From Montmartre" is promised as ideal entertainment for the State theatre's clientele.

Edwin Carlie and Leroy Eslick, "THE MOVIE MAKERS" who are appearing at the State theatre next Wednesday, March 10, are the genuine article, direct from Hollywood. Mr. Carlie has been a member of the motion picture colony for the past ten years. He has been associated with such well known stars as Harold Lloyd, Mary Pickford, Jack Pickford, Norma and Constance Talmadge, "Buster" Keaton, Harry Langdon and many others, as an actor. For the past three years "Edwin J." as he is known to his associates, has bent his efforts toward the directorial end of the motion picture business. You will see him in action in person at the State theatre next Wednesday only. Leroy Eslick is a cameraman who received his first instructions under the watchful eye of our "Uncle Sammy" during the world war. After the armistice, Mr. Eslick turned his face westward and did not stop, until he heard the conductor of the "Limited" call "all out for Hollywood." Roy has been there ever since, with the exception of a location trip, now and then. He has "cranked" many miles of film for a few of the popular ones. Such as, Alberta Vaughn in the "Adventures of Mazie," Fred Thompson in "The Bandit's Baby," Evelyn Brent, "Kit" Guard, Albert Cooke and many other F. B. O. stars. Mr. Eslick was "on" the camera for two years with the famous little darling "Baby Peggy" for the stage Universal Film Company. He also will appear in person on the stage of the State theatre next Wednesday using the same camera that he used to photograph the above mentioned celebrities.
